Editor's Corner:

Just a couple of things on my mind this month. The first is to report that once again, HKC has shown it's great generosity by renewing our UC Davis Veterinary Scholarships of \$2500 each for two deserving students. The language of the application has been changed

to be more inclusive since we only had one person apply last year. We went ahead and awarded both scholarships to her but wish to not have a repeat of that this year. We are good people!

Second thing on my mind is more personal! I **NEED BIOGRAPHIES!** If you haven't been asked but would like to let people know who you are and where you are from, please let me know. It is not hard, it is actually pretty fun once you get started. So drop me a note and I can sign you up. Otherwise, the great big hand of the newsletter editor will start pointing to members at her whim.

That's it from here. Five of us (Dorris, Nancy Ticzon, Theresa Manchester, Melinda Grosch and I) are off to Seattle for the weekend to participate in Clicker Expo! Stay tuned for our report..

Hope to see everyone at the Banquet and then at the Match!
